TieGoal, LLC is an exemplary company in the field of sports equipment cleaning services. They provide an important service to the public, and in particular to youth sports programs. The Cambrian Valley Youth Football & Cheer organization was extremely pleased with the services provided by TieGoal, LLC and we look forward to a continued working relationship with TieGoal to handle our equipment cleaning needs in the years to come.

During the process of working with the folks at TieGoal, they were very informative about the entire equipment cleaning process. Ali Rizvi and Leslie Rodriguez were incredibly professional and detailed in their explanation of the how's and why's of choosing to have equipment cleaned and sanitized professionally rather than "in-house". They went the extra mile to assure our organization that our equipment would go unharmed during the cleaning procedure at their facilities. Not only was I impressed with their customer service – they even picked up and delivered our equipment for us – but the end result was nothing short of amazing! Our organization can now confidently declare that we are being proactive in keeping our equipment safe for our youth participants and provide peace of mind to the many parents involved with our youth sports program.

I am confident that choosing TieGoal, LLC to handle ALL of your equipment cleaning needs is a decision you won't regret. Please do not hesitate to contact me if you would like further insight.

Sincerely,
